

EVS-3552/SP

Graphiclite® D5000 Viewing System for Critical Soft Proofing

- ISO 3664 Standard* Viewing Conditions**
- Digital Dimming for Precise Intensity Control**
- LiteGuard II Viewing System Monitor**
- Air Filters for CPU Cabinet**
- Optional Dimming for Soft Proofing**
- Single or Dual LCD Monitor Support**
- Easy to Move on Included Floor Casters**
- Convenient Pull-out Keyboard Tray**
- Side Walls to Block Ambient Light**

EVS-3552/SP

Accurate D_{50} Standard Viewing & Soft Proofing Environment

The EVS-3552/SP viewing system is designed to provide consistent and accurate ISO Standard viewing conditions in addition to the ideal viewing environment to evaluate accurate soft proofs. The digital intensity control allows precise matching of the luminance of the color monitor for accurate soft proofing *and* includes a bypass switch to easily change to full intensity for hard copy comparisons (the soft proofing intensity setting is maintained).

The single or dual LCD's (not included) can easily be positioned for optimal viewing since each mounting arm allows full swivel, tilt, or pull-out (for calibration) adjustability of the LCD. Also included is the GTI LiteGuard II viewing system monitor (indicates when unit is warming up and when unit needs to be relamped).

The EVS-3552/SP can accommodate up to two 30" LCD monitors.

Unique replaceable air-filter system assures good, clean air for the CPU.

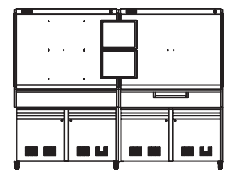

Additional Sizes Available:

EVS-1/SP 29" x 52" viewing area. Monitors are mounted in the center of the rear wall, as in the EVS-3552/SP. Casters are available as an option.

EVS-35106/SP 35" x 106" viewing area. This model locates the monitor(s) in the center of the viewing system. The monitors are mounted on swivel arms which allow convenient viewing from both sides of the viewing station.

Model	Description	Dimensions (Height x Width x Depth)	Electrical	Shipping Weight
EVS-3552/SP	52" wide x 35" deep viewing area includes cabinet with casters	85" x 54" x 36"	168 watts	580 lbs (263 kgs)
EVS-3552/SP/FD	52" wide x 35" deep viewing area includes 8 flat file drawers, 2" x 50.5" x 28.25" (instead of cabinet with casters)	85" x 54" x 36"	168 watts	700 lbs (318 kgs)
EVS-35106/SP	106" wide x 35" deep viewing area includes cabinet with casters	85" x 108" x 36"	336 watts	1125 lbs (510 kgs)
EVS-1/SP	52" wide x 29" deep viewing area includes cabinet, no casters	85" x 54" x 31"	168 watts	430 lbs (195 kgs)

120 volts standard, 230 volt & 100 volt available
