

GLE D5000 Standard Viewer

Economy D5000 Transparency Viewers For Table Top Viewing

GTI is pleased to introduce a new addition to the outstanding Graphiclite® family of D5000 transparency viewers. The GLE series of viewers brings the high quality of Graphiclite products to a new, affordable level.

Graphiclite 100 Color Viewing Lamps, in combination with a spectrally balanced reflector and diffuser, provide the accuracy that Graphiclite is famous for. The low price means that more color professionals can enjoy the benefits that true standard viewing provides.

Three model sizes to choose from...

- **GLE-10** 8" x 10" (20 cm x 25 cm) viewing area
- **GLE-12** 8" x 12" (20 cm x 30 cm) viewing area
- **GLE-16** 8" x 20" (20 cm x 50 cm) viewing area

For use near a color monitor, the GLE series is available with a full range dimming feature... ideal for soft-proofing and color management!

The GLE can also be used with the PDV Professional Desktop Viewers to create a combination print/transparency viewing system.
