

Usability Enhancement to CMB-3052, CVX-3052, and EVS-3052 Color Viewing Stations

Electronic Height Adjustable Floor Stand for CMB-3052, CVX-3052, and EVS-3052 Viewing Stations

A GTI CVX-3052 viewing booth with a storage shelf and the new electronic height adjustable floor stand.

- Easily adjust the height of the viewing booth from 29" to 49" to ensure an ergonomic working position.
- With a push of a button raise the viewing station quickly and quietly.
- Available with one deep file drawer, two shallow file drawers, or a storage shelf.
- Durable and sturdy.
- Existing viewing stations can be upgraded to the adjustable floor stand.
