

Press Console Viewing Systems Price Guide as of February 1, 2023

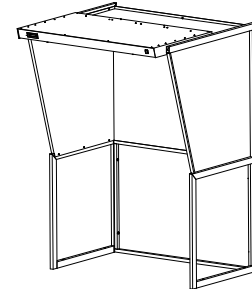

Models CVEX & MCVE Viewing Systems

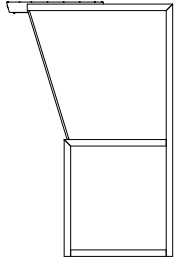

While almost all CVEX and MCVE units are priced individually due to unique design requirements, the following prices can be used as guidelines. ***It is always necessary to receive a completed CVE Specification Form prior to providing a formal price quotation.***

CVEX Floor Mounted Viewing Systems

The CVEX system is custom tailored to fit a press control console or work/viewing table. It is available with or without side walls and comes complete with the LiteGuard system monitor. The size ranges and approximate prices are as follows:

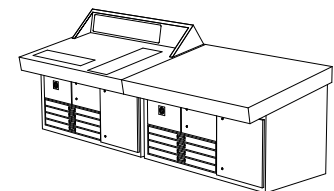

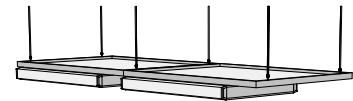

Model	Price (subject to design modification)	Size Range	
		depth	width (min-max)
CVEX-1 w/side walls	\$ 6,195	36"	52" - 70"
CVEX-1 w/o side walls	\$ 5,820	36"	52" - 70"
CVEX-2 w/side walls	\$11,460	36"	98" - 140"
CVEX-2 w/o side walls	\$11,085	36"	98" - 140"
CVEX-3 w/side walls	\$ 8,175	50"	52" - 70"
CVEX-3 w/o side walls	\$ 7,755	50"	52" - 70"
CVEX-4 w/side walls	\$15,200	50"	98" - 140"
CVEX-4 w/o side walls	\$14,760	50"	98" - 140"

MCVE Modular Color Viewing Systems

The MCVE system is a ceiling mounted custom tailored viewing environment designed to provide accurate viewing conditions on the viewing surface while blocking ambient light sources. Rear and side walls are optional and completely modular. The MCVE comes complete with the LiteGuard system monitor. The size ranges and approximate prices are as follows:

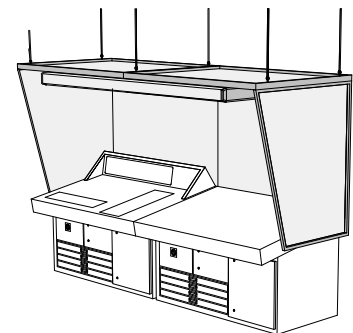

Model	Price (subject to design modification)	Size Range
		depth x width
MCVE-1 w/side & rear walls	\$ 5,690	30" x 60"
MCVE-1 w/o side or rear walls	\$ 3,565	30" x 60"
MCVE-2 w/side & rear walls	\$ 9,910	30" x 120"
MCVE-2 w/o side or rear walls	\$ 7,120	30" x 120"

****Larger model MCVE systems are available - contact GTI for details.**

MCVE's can be extended to provide controlled viewing over very long (eg web) press consoles. Image at left is from LP Thebault in Parsippany, NJ.
